## How to make a claim

When We authorise a claim We will do so by issuing a unique claim authorisation number. Repairs must not be started until We have given this number to You or Your garage.

If You think that You have a fault which may be covered by this Warranty, You must contact Us in the first instance. The claims telephone number is: 03300 552 079.

Our claims department is open from 9.00am to 5.00pm Monday to Friday. The office is closed on Saturday and Sunday.

We will require the following information, so please have this to hand when telephoning.

- The Warranty number and Motorcycle registration number.
- Current mileage of Your Motorcycle.
- Details of the Motorcycle service history.

Our claims handlers will record the details of the Breakdown and advise You of:

- What information We will require.
- The next steps You should take.
- The nearest The Motoring Organisation nominated service centre or repairer.

If You have broken down at the roadside and have chosen the optional Roadside Assistance Cover, please refer to Your separate Roadside Assistance handbook.

We have a nationwide network of nominated repairers who are familiar with Our claims and billing procedures. We recommend these repairers wherever possible. If a suitable nominated repairer cannot be located We will agree with You a local alternative.

You should take Your Motorcycle to the agreed repairer and give them Your permission to investigate the fault and find the cause of the failure. The garage should then telephone Us to discuss their findings. They must not carry out repairs until We have given permission to do so by issuing an authority number.

### Investigation

You must authorise any dismantling of Component(s) for inspection and You will be responsible for the cost incurred if the claim is not covered by this Warranty. We will only pay for dismantling costs as part of a Valid Claim.

### Assessing Your claim

We may require an independent opinion of Your claim. We reserve the right to use an independent consulting engineer to inspect Your Motorcycle, the failed Components and service history before We authorise a claim. Whilst We will make every effort to ensure this happens with the least delay and inconvenience to You, We shall not be liable for any losses You incur through any delay outside Our control.

Not all the cost of the repair will always be covered by this Warranty. Additional repair costs and those not covered by this Warranty must be paid for by You.

### On completion

Wherever possible, We will pay the repairer directly up to the amount authorised. You must make arrangements to cover any costs not covered by this Warranty.

You or the repairer must send Us the original, fully detailed and itemised invoice and any service proof that has been requested. Please make sure that You clearly mark on the invoice, to whom We should make payment. Photocopies of invoices will not be accepted. We will only pay the amount authorised for the claim.

**Important:** All invoices should be addressed to The Motoring Organisation Limited, Parkway Works, Kettlebridge Road, Sheffield, S9 3BL.
